Consents

Media Consent:

I agree to Sport Manawatu using my information including photos for the promotion of Green Prescription. All articles and releases will be seen by me prior to printing. Research Data Consent: I agree to Sport Manawatu, MidCentral District Health Board, and the Ministry of Health to use my information collected for surveys and professional medical research. The collection of data will be for statistical purposes and my name will not be directly identifiable in reports on surveys or in the medical research.

Information Privacy Consent:

I acknowledge that the information you collect from me is to:

- Assist me to participate in safe and appropriate activities
- Provide statistical information to the Ministry of Health and MidCentral District Health Board for the purposes of professional medical research and surveys
- Assist you to provide feedback to the medical professional or other agency that referred me to this programme

Sport Manawatu will comply with the Health (Retention of Health Information) Regulations 1996 and the Health Information Privacy Code Rules

Participation Safety Consent:

I participate in this programme at my own risk. Sport Manawatu will take every precaution to assure the health and safety of participants. However I acknowledge that the facilities where the programme is held will not be liable to any programme member should any injury, loss or damage occur at the facilities.
